

Software & Firmware

Solinst always recommends using the latest software and firmware release. Current releases can be downloaded at any time, free of charge, from the Solinst web site at: <https://www.solinst.com/downloads/>.

Always use the latest Levellogger® PC Software version to install the latest Firmware versions.

Note: Solinst always recommends that our customers download the data from their LevelVent loggers, using the same Levellogger Software version they were originally programmed with.
